

Your community group could get donations from Re-ward Club members, find out how...

We're looking for 3 community groups in Hounslow to become the official community partners of Re-ward Club. Members of Re-ward Club will be able to donate their £5 vouchers to you and you'll get lots of publicity from Re-ward Club and the local councils.

What is Re-ward Club?

Re-ward Club is a loyalty scheme that gives re-wards when you have items repaired, hire them or buy second-hand or recycled goods, rather than buying new. It's good for you and great for the environment.

How does it work?

1. Residents of Brent, Richmond and Hounslow join the scheme, they receive a Re-ward Club card and can start buying from any of the businesses or charity shops taking part.
2. Re-ward Club members go shopping and earn one token for every £10 spent (minimum spend of £4.50).
3. Once they collect 10 tokens, they change these for £5, which they can have as a voucher to spend on themselves or they can donate it to a local community group – that could be you!

Can my community group apply to receive donations from Re-ward Club members?

If your group is based in the local community (London Borough of Hounslow only) and it is a properly constituted, non-profit community group or organisation, we want you to apply to become a Re-ward Club community partner.

Groups could include:

- Charities
- Schools
- Scout and guide groups
- Voluntary groups
- Societies
- Sports clubs or teams
- Youth clubs
- Resident associations.

How can my community group or organisation participate?

It's easy, simply send us an application. The form is included with this information and can also be found on our website www.re-ward.me. Forms must be returned by Monday 28th January. Once all applications have been received, there will be a shortlisting and voting process and the three successful community will be appointed for a one year period. To find out more details about the selection process visit our website or give us a call on 020 8150 9546.

When will I know if our group has been successfully selected as one of the 3 community groups who can receive donations?

All applicants will be contacted by Re-ward Club before the end of March.

If we are successful how will we receive donations?

All the successful groups can receive donations from Re-ward Club members up until the end of March 2014. All the donations will be collected together and given to the nominated groups at the beginning of December 2014 and again in June 2014.

What can my community group spend the donations on?

You can spend the Re-ward Club donations on anything that is beneficial to your local community or the local environment in the London Borough of Hounslow.

Will my community group be involved in publicity?

Yes. Re-ward Club will promote all the community group partners. We want to give you a lot of publicity and would like you to help promote Re-ward Club as well. With more Members in Re-ward Club, spending money in local shops and collecting tokens there is a greater opportunity for you to receive donations. We will provide you with information about Re-ward Club to help encourage people to donate to you.

What else do I need to know?

- Re-ward Club will not provide your group with other support, including in-kind support like manual labour.
- You need to allow Re-ward Club staff to visit the community group prior to acceptance into the scheme and to see how the donations are being used.
- Re-ward Club is run by the West London Waste Authority in partnership with Brent and Richmond Councils.

Application to become a Re-ward Club Community Partner
